Dear DTSC GPRA Team,

Three more items for tomorrow's meeting:

1. Attached is an updated list of the Permitting Goals for FY2014. This was updated during the meeting on 2/19.
2. Please add another agenda item to discuss the Grant Guidance that was sent out to DTSC on 3/17 and the Draft Work Plan that is due to EPA by 3/31/2014. Since I printed the agenda's for tomorrow already, let's pencil this one in.
3. Was the Envirostor upload to RCRAInfo done by March 15th (Fri, March 14th or Mon, March 17th)? I ran RCRAInfo reports and it looks like some of the corrections were made in RCRAInfo. Please see the attached reports for our discussion tomorrow.

Subject: Draft Agenda for the GPRA meeting with DTSC on March 19, 2014 at 8800 Cal Center Drive

Dear DTSC GPRA Team,

Attached is the draft agenda for the GPRA/Grant meeting with DTSC at 8800 Cal Center Drive on March 19, 2014 at 10 am.

Please note the agenda item requesting an update on what is being done to implement the recommendations of the CPS Report in relation to the permitting process. This will be helpful to Barbara Gross, the new Permitting Branch Manager, and me to get an update on this.

I propose we go to lunch after the meeting to celebrate with Carole T on her retirement.

Please let me know what you think.
